

## **School Community Council**

November 14, 2023

In Attendance: Jordan Hansen, Thyme Vea, Ronna Hoffman, Brittany Greco, Marty Millet, JR Sandoval, Shantel VanWagoner, Shelly Parry

### **Agenda:**

Approval of Minutes: Jordan Hansen, Thyme Vea, Ronna Hoffman, Brittany Greco, JR Sandoval, Shantel VanWagoner

**Digital Citizenship:** Shelley Parry, Oak Leaf STEM Teacher, presented on how she is teaching Digital Citizenship in STEM

Resources:

- [Digitalllearning.jordandistrict.org](http://Digitalllearning.jordandistrict.org)
- Consists of 6 Lessons (First lesson was in October)
- Grants are no longer available for Digital Citizenship so Jordan District created their own program.
- [IKeepSafe.org](http://IKeepSafe.org)

Discussion regarding how to inform parents about what students are learning about digital safety in school in order to help reinforce learning at home.

Shelley Parry will share information from lessons for Lisa Parent to email to Oak Leaf families.

### **Reviewed 23-24 LAND Trust Goals**

Goal #1: We will increase the number of students on or above grade level in reading at the beginning of the school year by 3% by the end of the school year.

Goal #2: We will increase the number of students on or above grade level in math at the beginning of the school year by 3% by the end of the school year.

Ronna reviewed data from last year. Math growth is typical, but ELA and Science growth are high.

Our lowest 25% is very high. We earned an exemplary rating in overall growth, which is the best you

can do. Our growth is great. Our mastery achievement will naturally follow the growth. Oak Leaf is mostly at level or higher than several other schools in the area.

What We Are Doing:

General

- Collaborating as Teams
- Learning Scales/CFAs/Data Notebooks
  - Improving, Adding, Vetting Rigor, Student Use
- School-wide focus
- Student Wellness Room

ELA

- JSD-side WALK TO READ (Assistants paid from LAND Trust)
- Instructional Coach (Paid from TSSA and JDS)
- DATA Dives
  - “YELLOW” were within a few points of being “GREEN”
  - Comprehension brought down upper grades
    - Fluency
    - Vocabulary (including school-wide Words of the Week)
    - Writing
    - Focus on Grit, Stamina, and caring about doing our BEST

MATH

- School-wide skip counting songs
- Fluency focus
- Math software programs
- JSD mini PDs (Number Talks, Three Reads–story problem strategies)
- RTI built into schedule
- Math lead teacher: Brittney Greco

Desire: Math Assistants to help for Math RTI

Discussion about students who struggle and are behind in certain subjects and do well at home with practice tests or one on one intervention but when testing at school aren't able to carry over same level of testing. It was suggested that testing strategies be taught to students. Upper Grade teachers are already teaching testing strategies. Ronna and Brittney agreed that teaching testing strategies to all grades would be worth looking into.

One WALK TO Read Assistant leaving, may possibly be able to allocate that assistant funding for a Math Assistant.

**Possible Fundraiser**

Would like to find a way to help fund Math Assistants. Will discuss more at next meeting.

Motioned to have a fundraiser.

First: JR

Second: Shantel

Yes: Jordan, Ronna, Brittney, JR, Shantel

Motion to end meeting:

1st: Jordan

Second: Ronna
