Oak Leaf Elementary Parent Pick-Up/Drop-Off

2022-23

North

Student pick up and drop off. Students exit vehicle from ONLY the passenger side onto the curb.

We encourage students to arrive no earlier than 10 minutes before school begins. When your child arrives at school, he/she should line up at his/her grade-level doors. Class lines will be designated with teacher name signs during the beginning weeks of school.

If you park in the parent parking lot, please walk your child to the west crosswalk. There will be a teacher to help students cross. If you choose to pick up or drop your child off outside of the parent parking lot and lanes, you must do so on the north side of Silver Sky Drive. DO NOT drop them off on the south side of Silver Sky Drive. There are no crosswalks. Please do not put your child in danger.

The diagram above will help you understand the parking lot procedures. We ask for your help and support in following these guidelines in order to keep students safe.
