

# Oak Leaf Elementary School Community Council Election Bios

(Alphabetical by Last Name)

***Our School Community Council election will be held at Oak Leaf Elementary September 16-20 during school hours.***

## **Jon Draper**

My name is Jon Draper. I have been happily married for 10 years to Chelise Draper. We both grew up in small towns here in Utah. We have two amazing daughters together. Kynsley “8” and Jazmyn “4”. As a family, we moved to Herriman in August 2019 and have loved it here ever since. We have plans to make it our forever home. This is a major part of why I want to join the SCC and invest in the children and the community.

For the entirety of my 13-year career, I have been in the heavy-duty diesel industry. Working as

anything from a tire and lube tech to an underground mining drill rig support mechanic. Then most recently a company rep for Kenworth Sales.

I am a big believer in working hard for what you get and treating everyone with dignity and respect. Which ties into what I would like to work towards accomplishing if voted into the SCC. My wife Chelise has a master’s degree in clinical mental health and works as a clinical mental health counselor here in the community. We have had many discussions regarding bullying and how it affects children and their mental health.

If voted in, I would like to work towards making a difference in the community by starting with our children at an early age within the education system. I believe this is a great spot to start as their minds are most receptive at this stage in life and behavior like such is learned at an early age. I would like to work together with the staff and the children of Oak Leaf Elementary to fight this problem as a team and community.

In no case is it ever ok for any child to feel left out, singled out, or treated poorly for any reason.

## **Wesley Fassmann**

Wesley grew up in Salt Lake City and received his B.S. and M.S. from Brigham Young University in Mechanical Engineering. He's worked at several Aerospace Engineering companies in Utah, Indiana, and the UK. Wesley and his family have lived in the community for the last 6 years, where 2 of their children have attended Oak Leaf Elementary. Wesley is interested in the SCC to help build this community for his kids.

## **Ramsay Dean Henderson**

My name is Ramsay Dean Henderson, a driven individual with a wealth of experience in various industries. Originally from Riverton, I've had the privilege of working on new product launches and challenging organizational tasks globally in countries such as South Africa, India, and various European nations. These experiences have given me a broad

perspective on education and its relation to problem-solving, while also introducing me to innovative solutions and tools that can further enhance our community.

From an early age, I've been deeply inspired by learning and problem-solving, which has not only driven my career but also fueled my passion for parenting and being actively involved in my children's lives. As a member of this board, I am committed to identifying and implementing the best solutions for our community. My goals include fostering an environment that is inclusive, challenging, and conducive to learning for all.

With a background as a strategic sales professional, revenue generator, people builder, and process innovator, I strive to bring my experience and enthusiasm to Curating solutions to make a positive impact on our community. As a dedicated husband and father of two, I am excited about the opportunity to contribute and serve.

Thank you for your time, and I look forward to working together towards a brighter future for our community.

## **Mandie Shoemaker**

My family and I recently moved from Arizona. I have 8 children and 3 grandchildren! 3 of my kids and 2 of my grandkids are students in Jordan District!

I work for the district in the transportation department. I've been driving bus for 3 years. This is my first year at JSD.

I love to hike and go on adventures with my kids, which have included small things like treasure hunt hikes, to bigger adventures like hiking the Narrows.

I look forward to serving my community in a new way, and offering my perspective as a mom at Oak Leaf Elementary.

## **Natalie Speth**

My name is Natalie Speth. I love Oak Leaf Elementary and the amazing students and faculty here! I served on the Oak Leaf Community Council from 2021-2023 as Vice and Secretary. I have also been an active member of Oak Leaf Elementary's PTA as Secretary 2022-2023, and Communications 2023-current. I have seen how important parent involvement is through these roles and hope to be a part of Oak Leaf's Community Council this school year. I currently have 4 kids attending Oak Leaf Elementary. I enjoy hiking, reading, traveling, and volunteering. I'm looking forward to an awesome year at Oak Leaf Elementary!
